

Mississippi Sports Medicine

And Orthopaedic Center

Thank you for choosing Mississippi Sports Medicine And Orthopaedic Center for your care and treatment. Please complete the enclosed forms and bring them with you when you arrive for your appointment.

KINDLY BRING COMPLETED FORMS WITH YOU. DO NOT MAIL. THANK YOU!

If you need to cancel or reschedule your appointment, please call us at (601) 354-4488 at least 24 hours in advance. There is a \$30 fee if you do not cancel or reschedule your appointment with proper notice.

Please arrive 15 minutes prior to your appointment, if you have finished all paper work. If you DO NOT have your paperwork completed, please arrive 30 minutes prior to your appointment.

Please bring your picture I.D. and insurance cards along with these completed forms. Any applicable co-pays or coinsurance will be collected at the time of service.

Please bring a list of all medications that you are currently taking, X-rays, MRI films, or any other medical records that may be pertinent to this visit.

If this visit is due to an accident that is covered by workers' compensation, please have your employer or adjuster furnish the name, injury date, workers' compensation carrier name, claim number, billing address and phone number. These are required for your visit.

Important Insurance Information

Our staff is here to help ensure your claims are paid in a timely manner. Please take a minute to read the information below to assist us to get your claims paid.

- If your visit is due to an injury, your insurance company may require additional information from the patient. Your insurance company will mail the patient or the guarantor a form to fill out. If this form is NOT filled out, the claim is usually denied pending this information and will be the patient's responsibility. You should receive this request within 30 days of your visit.
- If you do not receive an injury form or an explanation of benefits (details on what has been paid or denied by your insurance company) please contact your insurance company.
- If your injury is due to an auto accident, we will need a letter from your auto insurance stating you have exhausted your medical pay. We will need this letter to file your claim to your health insurance.
- Please let our front desk personnel know if your insurance has changed since your last visit with us. Keeping us informed of any changes will help us in filing your claim correctly and in a timely manner. Please always use your complete legal name. If your name on the insurance card and the name you give us DO NOT match, we will not be able to file your claim.

Notice Of Privacy Practices For Protected Health Information

This notice describes how medical information about you may be used and disclosed and how you may get access to this information. Please read it carefully.

Mississippi Sports Medicine and Orthopaedic Center is dedicated to protecting your medical information. We are required by law to maintain the privacy of protected health information and to provide you with this notice of our legal duties and privacy practices with respect to protected health information. Mississippi Sports Medicine and Orthopaedic Center is required by law to abide by the terms of this notice, and we reserve the right to change the terms of notice, making any revision applicable to all the protected health information we maintain. If we revise the terms of this notice, we will post a revised notice at the hospital and/or clinic and will make paper copies of this notice or Privacy Practices for Protected Health Information available upon request.

How Your Medical Information Will Be Used And Disclosed:

We will securely store your medical information on a computer for use as part of rendering patient care. For example, your medical information may be used by the health care professional treating you, by the business office to process your payment for the services rendered and by the administrative personnel reviewing the quality and appropriateness of the care you receive.

We may also use and/or disclose your information in accordance with federal and state laws for the following purposes:

- We may contact you to provide appointment reminders or information about treatment alternatives or other health-related benefits and services that may be of interest to you.
- We may disclose medical information when required by the United States Department of Health and Human Services as part of an investigation or determination or the Hospital's compliance with relevant laws.
- Unless you object, we will include general information, including your name, location in the clinic, your condition described in general terms and your religious affiliation in a directory of individuals located in the clinic. The directory information, except for your religious affiliation, will be released to people who ask for you by name. Your religious affiliation may be given to members of the clergy, even if they do not ask for you by name.
- Unless you object, we may disclose to family members, other relatives or close personal friend the medical information directly relevant to such person's involvement with your care.
- Unless you object, we may use or disclose your medical information to notify a family member, a personal representative or another person responsible for your care of your location, general condition or death.
- We may disclose your medical information to a public or private entity for the purpose of coordinating with that entity to assist in disaster relief efforts.

- We may use or disclose your information for public health activities, including the reporting of disease, injury, vital events and the conduct of public health surveillance, investigation and/or intervention. We may disclose your medical information to a health oversight agency for oversight activities authorized by law, including audits, investigations, inspections, licensure or disciplinary actions, administrative and/or legal proceedings.
- We may disclose your medical information in the course or certain judicial or administrative proceedings. We may disclose your medical information for law enforcement purposes or other specialized government functions.
- We may disclose your medical information to a coroner, medical examiner or a funeral director.
- If you are an organ donor, we may disclose your medical information to an organ donation and procurement organization.
- We may disclose your medical information for certain research purposes.
- We may use or disclose your medical information to prevent or lessen a serious threat to health or safety or another person or the public.
- We may disclose your medical information as authorized by laws relating to workers' compensation or similar programs.

We will not use or disclose your medical information for any other purpose without your written authorization. Once given, you may revoke your authorization in writing at any time.

Your Rights Regarding Your Medical Information:

You have the following rights with respect to your medical information.

- The right to request restrictions on certain uses and disclosures of your medical information. We are not required to agree to your requested restriction, but if we do, we will honor it.
- The right to receive communications from us in a confidential manner.
- The right to inspect and copy your medical information. This right is subject to certain specific exceptions, and you may be charged a reasonable fee for any copies of your records.
- The right to request an amendment of your medical information. We may deny your request for certain specific reasons, and, if denied, we will provide you with a written explanation for the denial and information regarding further rights you would have at that point.
- The right to receive an accounting of the disclosures of your medical information made by the clinic in the six years prior to your request, except for disclosures for treatment, payment or clinic operational purposes, and for other certain specifications disclosure types.

- The right to request a paper copy of this notice of Privacy Practices for Protected Health Information.
- The right to complain to the clinic and/or to the United States Department of Health and Human Services if you believe that Mississippi Sports Medicine has violated your privacy rights. If you choose to file a complaint you will not be retaliated against in any way.

If you would like further information regarding your rights or the uses and disclosures of your medical information you may contact our administrator.

Physician Disclosure of Financial Interest

Notice to patients treated by Mississippi Sports Medicine and Orthopaedic Center, PLLC:

Both Federal and Mississippi law requires that your physician disclose to you any financial interest he or she may have in an entity to which you may be referred, so that you may address any concerns you may have directly with your physician.

Your referring physician is an owner of Mississippi Sports Medicine. This notice is to let you know that Mississippi Sports Medicine owns its own MRI Services, CT Services, and the Flowood Surgery Center. The physician owners may refer you for additional services needed to diagnosis, therapeutically treat, or surgically repair your medical condition to one of these entities listed above.

By signing the below, you acknowledge your receipt of this Physician Disclosure of Financial Interest and understand that your referring doctor is an owner of this facility. A list of alternative facilities can be provided to you upon request.
